

Remarks

This response is timely filed, and overcomes the basis of objection identified in the September 20, 2007, Notice of Drawing Inconsistency with Specification. No new matter is being introduced, as the only amendments to the affected paragraphs concern corrections of typographical errors, the introduction of a description for existing Figure 27D, and the renumbering of figure reference numbers so that the text matches the figures as filed.

If there are any further issues with respect to the discrepancy or to this amendment, the U.S. Patent and Trademark Office is respectfully requested to contact applicants' representative at the telephone number below.

No fees are believed to be required for entry of this amendment. However, the Commissioner is hereby authorized to charge any additional fees required or credit any overpayment to Deposit Account No. 14-1138, referring to Docket No. 20609/241.

Respectfully submitted,

Date: October 18, 2007
